ABOUT

A creative and adaptable fashion design student with interests across art direction, costume design, and fashion communication. I bring a strong eye for visual identity together with hands-on experience across the industry. Currently building a varied portfolio of work in the field.

EXPERIENCE

Between · Short film · instagram.com/between_shortfilm · 2025

Art direction and styling. Built a colour-accent system to express each character's traits and reflect the director's emotional reading of them, using palette as a narrative device throughout the film.

Vencidos da Vida · Music video, "Ouro" · youtube.com/watch?v=IB0YNUOaHtQ · 2025

Art direction and styling for the official music video.

Devil of a Woman · Band · instagram.com/devil.of.a.woman · 2025

Art direction and styling for promotional videos and reels, shaping the band's visual identity across social media content.

Until the End of Us · Short film · imdb.com/title/tt33056241 · 2024

Styling for a dystopian drama-musical set in 2030, exploring themes of social media, influence, and family secrets. Developed character looks supporting the film's near-future aesthetic.

EMJota Studio · Portugal · emjotastudio.com · 2023

Maker and creative assistant at an independent atelier specialising in handmade, one-of-a-kind soft corsets. Contributed to the design of select pieces and to garment hand-construction using custom fabrics, lace, and trims.

Tugapride · Online LGBTQ+ Pride event for Portugal · tugapride.com · 2020

Lead organiser of a virtual Pride event created in response to COVID-19 restrictions, when in-person Pride celebrations across Portugal were cancelled. Coordinated programming, online platform, communications, and community outreach.

EDUCATION

BA (Hons) Fashion Design · ESAD, Matosinhos, Portugal · 2023 – present

Practice-based programme combining studio project work, drawing, fashion illustration, modelling and prototyping with critical study of fashion history, digital processes, and sustainability. Emphasis on developing a personal creative identity through both analogue and digital techniques, with exposure to photography, fashion production, patterns and printing, and the wider fashion ecosystem.

Software Engineering (transferred to Fashion Design) · ISEP, Porto, Portugal · 2021 – 2023

Two years of foundational study in software engineering, developing analytical thinking, digital literacy, and soft skills in teamwork and time management before pivoting to a creative career path.
